

In light of the Bible as God's Word, provide guidance, hope and inspiration to men to become more sensitive to God's will for their lives, better members of the church, and more responsible fathers, husbands and participants in the life of the community.

SITUATION:

PRIORITIES: Central Georgia Ministry to Men

PROGRAM ACTION- LOGIC MODEL

Assumptions:

- 1 Pastors will support this effort.
- 2 Nearby churches will work together
- 3 Costs can be controlled.

External Factors:

- 1 Lay council activities
- 2 Missionary activities
- 3 Non church agencies' concurrent efforts

EVALUATION

Process evaluation: Number of activity conducted and number of attendees at each. Program evaluation: survey of pastors, wives, and children of perceptions of increased knowledge, awareness as noted above; number of men sponsored programs, family activities, and newspaper articles about church men involved in local events.
